

Help PAVE the way to greatness at PCS

Dear Families, Friends and Alumni,

The Presbyterian Christian School Booster Club and Parent/Teacher Organization are proud to announce a joint fundraising project that will elevate our athletic facilities to new heights and beautify our school grounds. “The Brick Project” offers custom engraved bricks and pavers that may be purchased to honor your children, grandchildren, graduates, teachers, coaches or anyone you wish. It is also a unique opportunity to show your support as a member of our community while becoming permanently associated with the beautification efforts at PCS.

Our goal is to raise enough funds to pay for our new field house and create a beautiful gathering area of walkways and landscaping around our football stadium. Construction of a new field house has already begun and will soon begin on the walkways. Engraved bricks will form the new walkways and will be a permanent and high profile part of PCS. This project will include a Bobcat Pride walk for our football players to use on home game nights.

Bricks are standard red bricks with black engraving and are being offered in two sizes: 4 x 8 inches and 8 x 8 inches. Granite pavers are gray granite and are also offered in two sizes: 12 x 12 inches and 16 x 16 inches. Larger stones are also available upon request. Granite pavers will be used for the Bobcat Pride Walk and will be guaranteed prominent position in the walkways.

Your order form is found below and more are available in the school offices. Please complete and return your form with your check made payable to PCS in an envelope marked “Brick Fundraiser” to the elementary school or high school or mail your order to the school at 3901 Lincoln Road, Hattiesburg, MS 39402. **Orders must be received by May 31, 2009.** Because 100% of this fundraiser’s profit goes directly to PCS, your purchase is tax deductible.

We know that you will want to be involved in this opportunity to invest in PCS and leave a lasting memory for your children of their time at PCS.

Thank you in advance for your support.
