Directions to Visitor Parking for Varsity Football Games

****Bottom Line: Do not go to the school;
Please use these directions to Tatum Park****

The city of Hattiesburg graciously allows us to use their Tatum Park soccer complex, which backs up to the visitors' stands of our stadium, for visitor parking for varsity football games. This not only frees parking space on our own campus, but will actually put you much closer to the visitors' stands.

Thank you for your help with this.

Directions to parking at the Tatum Park soccer complex:

1. While on Interstate 59 you will be looking for and taking exit 60, which is labeled the South Hattiesburg / Hwy. 11 exit;
2. At the top of the exit ramp you will turn east and head toward the city of Hattiesburg for approximately 1 ½ miles on Hwy. 11 (also known as Veteran's Memorial or Broadway Drive);
3. Just past the YMCA, turn right onto Parkway Boulevard, which is the entrance to Tatum Park;
4. After you pass the wooden entrance sign to Tatum Park, you will turn right at the 2nd metal gate;
5. Follow this road (going first past the softball fields on your right) until it takes you to the back side of Tatum Park, where you can't miss our stadium;
6. There is paved parking for approximately 45 vehicles, but we will have parking attendants helping you also park on grass or dirt areas.
