## Directions to Visitor Parking for Athletic Events

**\*\*Bottom Line: Do not go to the school;  
Please use these directions to Tatum Park\*\***

The city of Hattiesburg graciously allows us to use their Tatum Park soccer complex, which backs up to the visitors' stands of our stadium, for visitor parking for varsity football games. Parking here puts you much closer to the visitors' stands, and frees parking space on our own campus for PCS patrons.

Thanks for your help with this.
